### Certain Oil Country Tubular Goods From the United Arab Emirates: Preliminary Affirmative Determination of Sales at Less Than Fair Value

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) preliminarily determines that certain oil country tubular goods (OCTG) from the United Arab Emirates (UAE) are being, or are likely to be, sold in the United States at less than fair value (LTFV). The period of investigation (POI) is April 1, 2025, through March 31, 2026. Interested parties are invited to comment on this preliminary determination.

**DATES:** Applicable November 4, 2026.

**FOR FURTHER INFORMATION CONTACT:** Alexander Rodriguez or Dylan Hill, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–0190 or (202) 482–1197, respectively.

**SUPPLEMENTARY INFORMATION:**

#### Background

This preliminary determination is made in accordance with section 733(b) of the Tariff Act of 1930, as amended (the Act). Commerce published the notice of initiation of this investigation on April 28, 2026.[1] On August 28, 2026, Commerce postponed the preliminary determination of this investigation and the revised deadline is now October 29, 2026.[2]

For a complete description of the events that followed the initiation of this investigation, *see* the Preliminary Decision Memorandum.[3] A list of topics included in the Preliminary Decision Memorandum is included as Appendix II to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS), which is available to registered users at *https://access.trade.gov.* In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at *https://access.trade.gov/frnotices.*

#### Scope of the Investigation

The product covered by this investigation is OCTG from the UAE. For a complete description of the scope of this investigation, *see* Appendix I.

#### Scope Comments

In accordance with the *Preamble* to Commerce's regulations,[4] the *Initiation Notice* set aside a period of time for parties to raise issues regarding product coverage (*i.e.,* scope).[5] Certain interested parties commented on the scope of the investigation as it appeared in the *Initiation Notice,* whereby they requested that Commerce find certain mechanical pipe products to be outside the scope of this investigation. These products include: mechanical pipe for oilfield tools, mechanical pipe for perforating guns, and expandable mechanical pipe.

We note that there is an ongoing scope inquiry related to the antidumping duty orders on OCTG from Argentina and Mexico with respect to these same mechanical pipe products.[6] In that inquiry, Commerce preliminarily found that the products were outside the scope of the orders,[7] based on comments identical to the scope comments received in this investigation. Consistent with that finding, Commerce preliminarily finds and clarifies that mechanical pipe for oilfield tools, mechanical pipe for perforating guns, and expandable mechanical pipe are outside the scope of this investigation. Because this is a clarification, Commerce is not preliminarily modifying the scope language as it appeared in the *Initiation Notice. See* the scope in Appendix I to this notice.

The final determination in the above-referenced scope inquiry is currently scheduled to be made no later than December 22, 2026.[8] We intend to consider that final determination when making a final scope ruling in this investigation. Case briefs or other written comments regarding the scope of this investigation may be submitted to the Assistant Secretary for Enforcement and Compliance no later than 30 after the preliminary determination of this investigation. Rebuttal briefs, limited to issues raised in the case briefs regarding the scope of this investigation, may be filed not later than five days after the date for filing of the scope-related case briefs.[9] Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing regarding the scope of this investigation, limited to issues raised in the case and rebuttal, may do so in accordance with the instructions detailed below within 30 days after the date of publication of this notice.

#### Methodology

Commerce is conducting this investigation in accordance with section 731 of the Act. Commerce has calculated export prices in accordance with section 772(a) of the Act. Constructed export prices have been calculated in accordance with section 772(b) of the Act. Normal value is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying the preliminary determination, *see* the Preliminary Decision Memorandum.

#### All-Others Rate

Sections 733(d)(1)(ii) and 735(c)(5)(A) of the Act provide that in the preliminary determination Commerce shall determine an estimated all-others rate for all exporters and producers not individually examined. This rate shall be an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero and *de minimis* margins, and any margins determined entirely under section 776 of the Act.

In this investigation, Commerce calculated estimated weighted-average dumping margins for Universal Tube

Industries FZE and Ajmal Steel Tubes and Pipes Industries, LLC. (collectively, the examined respondents) that are not zero, *de minimis,* or based entirely on facts otherwise available. Commerce calculated the all-others rate using a weighted average of the estimated weighted-average dumping margins calculated for the examined respondents using each company's publicly-ranged values for the merchandise under consideration.[10]

**Preliminary Determination**

Commerce preliminarily determines that the following estimated weighted-average dumping margins exist:

| Exporter/producer | Weighted-average dumping margin (percent) |
|---|---|
| Ajmal Steel Tubes and Pipes Industries, LLC | 68.88 |
| Universal Tube and Pipe Industries FZE; THL Pipe and Tube Industries LLC[11] | 61.45 |
| All Others | 68.23 |

**Suspension of Liquidation**

In accordance with section 733(d)(2) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to suspend liquidation of entries of subject merchandise, as described in Appendix I, entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**. Further, pursuant to section 733(d)(1)(B) of the Act and 19 CFR 351.205(d), Commerce will instruct CBP to require a cash deposit equal to the estimated weighted-average dumping margin or the estimated all-others rate, as follows: (1) The cash deposit rate for the companies listed above will be equal to the company-specific estimated weighted-average dumping margins determined in this preliminary determination; (2) if the exporter is not a respondent identified above, but the producer is, then the cash deposit rate will be equal to the company-specific estimated weighted-average dumping margin established for that producer of the subject merchandise; and (3) the cash deposit rate for all other producers and exporters will be equal to the all-others estimated weighted-average dumping margin.

These suspension of liquidation and cash deposit instructions will remain in effect until further notice.

**Disclosure**

Commerce intends to disclose its calculations and analysis performed to interested parties in this preliminary determination within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Consistent with 19 CFR 351.224(e), Commerce will analyze and, if appropriate, correct any timely allegations of significant ministerial errors by amending the preliminary determination. However, consistent with 19 CFR 351.224(d), Commerce will not consider incomplete allegations that do not address the significance standard under 19 CFR 351.224(g) following the preliminary determination. Instead, Commerce will address such allegations in the final determination together with issues raised in the case briefs or other written comments.

**Verification**

As provided in section 782(i)(1) of the Act, Commerce intends to verify the information relied upon in making its final determination.

**Public Comment**

Case briefs or other written comments, unrelated to scope, may be submitted to the Assistant Secretary for Enforcement and Compliance no later than seven days after the date on which the last verification report is issued in this investigation. A timeline for the submission of case briefs and written comments will be notified to interested parties at a later date. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.[12] Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.[13]

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.[14] Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final determination in this investigation. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).[15]

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants, and whether any participant is a foreign national; and (3) a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing

[10] With two respondents under examination, Commerce normally calculates: (A) a weighted-average of the estimated weighted-average dumping margins calculated for the examined respondents; (B) a simple average of the estimated weighted-average dumping margins calculated for the examined respondents; and (C) a weighted-average of the estimated weighted-average dumping margins calculated for the examined respondents using each company's publicly-ranged U.S. sales values for the merchandise under consideration. Commerce then compares (B) and (C) to (A) and selects the rate closest to (A) as the most appropriate rate for all other producers and exporters. *See, e.g., Ball Bearings and Parts Thereof from France, Germany, Italy, Japan, and the United Kingdom: Final Results of Antidumping Duty Administrative Reviews, Final Results of Changed-Circumstances Review, and Revocation of an Order in Part,* 75 FR 53661, 53662 (September 1, 2010), and accompanying Issues and Decision Memorandum at Comment 1. After performing this comparison, Commerce based the all-others rate on the publicly-ranged sales data of the mandatory respondents.

Accordingly, Commerce will make its final determination no later than 75 days after the signature date of this preliminary determination.

### Background

On September 25, 2026, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the antidumping duty order on nails from China.[1] On January 28, 2026, Commerce selected Yueda Nails as the mandatory respondent in this review.

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days,[2] and, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and
