B. Late or Incomplete Submissions

LSC may consider a request to submit after the deadline, but only if the Applicant has submitted an email to *probonoinnovation@lsc.gov* by January 11, 2027, explaining the circumstances that caused the delay. Communication with LSC staff, including assigned LSC Special Grant staff contacts, is not a substitute for sending a formal request and explanation to *probonoinnovation@lsc.gov.* At its discretion, LSC may consider incomplete submissions. LSC will determine the admissibility of late or incomplete submissions on a case-by-case basis.

C. Multiple Submissions

Applicants may apply for more than one grant, either within the same funding category or across different categories. If applying for multiple grants, Applicants should submit separate Pre-Applications or Applications for each funding request.

D. Additional Information and Guidelines

This Notice and the publication of the Subgrant Application on LSC's website satisfy § 1627.4(b)'s notice requirement for LSC Special Grant programs. Only current or prospective recipients of LSC Special Grants may apply for approval to subgrant these funds.

An applicant must submit an application to make a subgrant of LSC Special Grant funds at least 45 days in advance of the subgrant's proposed effective date. 45 CFR 1627.4(b)(2).

Applicants seeking to subgrant to a new subrecipient that is not a current LSC grantee or applying to renew a subgrant with an organization that is not a current LSC grantee in a year in which the applicant was not already required to submit the documents listed below as a part of an application to subgrant LSC Basic Field funds, must also upload:

LSC encourages applicants to use LSC's Special Grant Subgrant Agreement Template as a model subgrant agreement. If the applicant does not use LSC's Template, the proposed agreement must include, at a minimum, the substance of the provisions of the Template.

Once submitted, LSC will evaluate the application and provide applicants with instructions on any needed modifications to the submitted documents or Draft Agreement provided with the application. The applicant must then upload a final and signed subgrant agreement through GrantEase by the date requested.

As required by 45 CFR 1627.4(b)(3), LSC will inform applicants of its decision to disapprove, approve, or request modifications to the subgrant no later than the subgrant's proposed effective date.
