IHEs and TPPs outside of IHEs report annually to their states on program elements, including program numbers, type, enrollment figures, demographics, completion rates, goals and assurances to the state. States, in turn, must report on TPP elements to the Secretary of Education in addition to information on assessment pass rates, state standards, initial credential types and requirements, numbers of credentials issued, TPP classification as at-risk or low-performing. The information from states, institutions, and programs is published annually in The Secretary's Report to Congress on Teacher Quality.
