RIN 1625–AA00

Safety Zone; FRL Inaugural Invitational eFoil Exhibition Race, Miami Marine Stadium Basin, Miami, FL; Correction

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking; correction.

SUMMARY: The Coast Guard is correcting the comment submission deadline in its notice of proposed rulemaking published October 19, 2026, proposing to establish a temporary safety zone for the FRL Inaugural Invitational eFoil Exhibition Race in the Miami Marine Stadium Basin, Miami, Florida. The proposed safety zone would be enforced on November 15, 2026. This correction shortens the comment period so the Coast Guard may consider timely submitted comments before determining whether to issue a final rule in advance of the event.

DATES: The comment deadline published October 19, 2026, at 91 FR 66033, is corrected. Comments and related material must be received by the Coast Guard on or before November 6, 2026.

SUPPLEMENTARY INFORMATION:

Correction

In the notice of proposed rulemaking (NPRM) published October 19, 2026, at 91 FR 66033, in the **DATES** section, the Coast Guard stated that comments and related material must be received on or before November 18, 2026.

The proposed safety zone is intended to be enforced from 8 a.m. until 9 p.m. on November 15, 2026. Because the original comment deadline falls after the proposed enforcement period, the Coast Guard is correcting the deadline to November 6, 2026. This revised deadline provides interested persons an opportunity to comment while allowing the Coast Guard sufficient time to review timely submitted comments and determine whether a final rule is necessary before the scheduled event.

The Coast Guard has received a comment on the NPRM and will consider that comment, along with any other timely submitted comments, before taking further action. Comments submitted after the revised deadline may be considered to the extent practicable.
