m. Individuals desiring to be included on the Commission's mailing list should so indicate by writing to the Secretary of the Commission.

n. *Comments, Protests, or Motions to Intervene:* Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214, respectively. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

o. *Filing and Service of Documents:* Any filing must (1) bear in all capital letters the title ''COMMENTS'', ''PROTEST'', or ''MOTION TO INTERVENE'' as applicable; (2) set forth in the heading the name of the applicant and the project number of the application to which the filing responds; and (3) otherwise comply with the requirements of 18 CFR 385.2001 through 385.2005. All comments, motions to intervene, or protests must set forth their evidentiary basis. Any filing made by an intervenor must be accompanied by proof of service on all persons listed in the service list prepared by the Commission in this proceeding, in accordance with 18 CFR 385.2010.

p. For public inquiries and assistance with making filings such as interventions, comments, or requests for rehearing, contact the Office of Public Participation at (202) 502–6595 or *OPP@ferc.gov.*

Reliability Technical Conference; Notice Inviting Post-Technical Conference Comments

On Wednesday, October 21, 2026, the Federal Energy Regulatory Commission (Commission) convened its annual Commissioner-led Reliability Technical Conference to discuss policy issues related to the reliability and security of the Bulk-Power System.

All interested persons are invited to file post-technical conference comments to address issues raised during the technical conference or identified in the Third Supplemental Notice for this Technical Conference issued on October 15, 2026. Commenters are invited to reference material previously filed in this docket but are encouraged to avoid repetition or replication of their previous comments. Comments must be submitted on or before 30 days from the date of this Notice.

Comments, identified by docket number, may be filed electronically or paper filed. Electronic filing through *https://www.ferc.gov* is preferred. Documents must be filed in acceptable native applications and print-to-.pdf, but not in scanned or picture format. Instructions are available on the Commission's website: *http://www.ferc.gov/docs-filing/efiling.asp.*

Although the Commission strongly encourages electronic filing, documents may also be paper-filed. To paper-file, submissions sent via the U.S. Postal Service must be addressed to: Federal Energy Regulatory Commission, Office of the Secretary, 888 First Street NE, Washington, DC 20426. Submissions sent via any other carrier must be addressed to:

Federal Energy Regulatory Commission, Office of the Secretary, 12225 Wilkins Avenue, Rockville, Maryland 20852.
