C–570–244]

Certain Wooden Fence Components From the People's Republic of China: Initiation of Countervailing Duty Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable November 3, 2026.

FOR FURTHER INFORMATION CONTACT: Suresh Maniam, Office I, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–0176.

SUPPLEMENTARY INFORMATION:

The Petition

On September 24, 2026, the U.S. Department of Commerce (Commerce) received a countervailing duty (CVD) petition concerning imports of certain wooden fence components [1] from the People's Republic of China (China), filed in proper form on behalf of the American Alliance of Wooden Fence Producers (the petitioner),[2] the members of which are domestic producers of certain wooden fence components.[3] The CVD Petition was accompanied by an antidumping duty (AD) petition concerning imports of certain wooden fence components from China.[4]

On October 13, 2026, Commerce extended the initiation deadline by 20 days to further examine the issue of industry support, because it was not clear from the Petition whether the industry support criteria had been met.[5]

Between September 29 and October 29, 2026, Commerce requested supplemental information pertaining to certain aspects of the Petition in supplemental questionnaires.[6] Between October 4 and 30, 2026, the petitioner filed timely responses to these requests for additional information.[7]

In accordance with section 702(b)(1) of the Tariff Act of 1930, as amended (the Act), the petitioner alleges that the Government of China (GOC) is providing countervailable subsidies, within the meaning of sections 701 and 771(5) of the Act, to producers of certain wooden fence components from China, and that such imports are materially injuring, or threatening material injury to, the domestic industry producing certain wooden fence components in the United States. Consistent with section 702(b)(1) of the Act and 19 CFR 351.202(b), for those alleged programs on which we are initiating a CVD investigation, the Petition was accompanied by information reasonably available to the petitioner supporting its allegations.

Commerce finds that the petitioner filed the Petition on behalf of the domestic industry, because the petitioner is an interested party, as defined in section 771(9)(F) of the Act.[8] Commerce also finds that the petitioner demonstrated sufficient industry support with respect to the initiation of the requested CVD investigation.[9]

Period of Investigation (POI)

Because the Petition was filed on September 24, 2026, the POI is January 1, 2025, through December 31, 2025.[10]

Scope of the Investigation

The products covered by this investigation are certain wooden fence components from China. For a full description of the scope of this investigation, *see* the appendix to this notice.

Comments on the Scope of the Investigation

Between September 29 and October 14, 2026, Commerce requested information and clarification from the petitioner regarding the proposed scope to ensure that the scope language in the Petition is an accurate reflection of the products for which the domestic industry is seeking relief.[11] Between October 4 and 19, 2026, the petitioner provided clarifications and/or revised the scope.[12] The description of merchandise covered by this investigation, as described in the appendix to this notice, reflects these clarifications.

As discussed in the *Preamble* to Commerce's regulations, we are setting aside a period for interested parties to raise issues regarding product coverage (*i.e.,* scope).[13] Commerce will consider all scope comments received from interested parties and, if necessary, will consult with interested parties prior to the issuance of the preliminary determination. If scope comments include factual information, all such factual information should be limited to public information.[14] Commerce requests that interested parties provide at the beginning of their scope comments a public executive summary for each comment or issue raised in
