AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This document announces the Agency's receipt of and solicits comments on requests by registrants to voluntarily cancel their pesticide registration of certain products and/or to amend their product registrations to terminate one or more uses. If these requests are granted, EPA will issue an order in the **Federal Register** cancelling the listed product registrations, after which any sale, distribution, or use of the products listed in this document will only be permitted after the registrations have been cancelled if such sale, distribution, or use is consistent with the terms as described in the final order.

DATES: Comments and withdrawal requests must be received on or before December 9, 2026.
