**DATES:** Repatriation of the cultural items in this notice may occur on or after December 14, 2026.

**ADDRESSES:** Send additional, written requests for repatriation of the cultural items in this notice to Amy E. Gusick, NAGPRA Officer, Los Angeles County Museum of Natural History, 900 Exposition Boulevard, Los Angeles, CA 90007, email *agusick@nhm.org.*

**SUPPLEMENTARY INFORMATION:** This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the LACMNH, and additional information on the determinations in this notice, including the results of consultation, can be found in the summary or related records. The National Park Service is not responsible for the determinations in this notice.

#### Abstract of Information Available

A total of 333 cultural items have been requested for repatriation. The 333 objects of cultural patrimony are flakes, shatter, manos, pestles, bowl fragments, metates, charcoal, projectile points, and historic artifacts. Between 2010 and 2012, Sapphos Environmental Inc. removed the cultural items from CA–LAN–360, an archaeological site at Vasquez Rocks in Agua Dulce, Los Angeles County, CA, ahead of construction of the Vasquez Rocks Natural Area Park and Nature Center. At the direction of the Los Angeles County Department of Parks and Recreation, the cultural material was deposited at the Los Angeles County Museum of Natural History for curation.

In consultation with the Yuhaaviatam of San Manuel Nation and non-federally recognized California Indian groups including the Fernandeño Tataviam Band of Mission Indians, these items were identified as culturally affiliated with the Serrano and Tataviam peoples based on Tribal Traditional Knowledge, genealogical information, geographical location within Serrano and Tataviam ancestral territory, and ethnographic, historical, and archaeological records.

#### Determinations

The LACMNH has determined that:

- The 333 objects of cultural patrimony described in this notice have ongoing historical, traditional, or cultural importance central to the Native American group, including any constituent sub-group (such as a band, clan, lineage, ceremonial society, or other subdivision), according to the Native American traditional knowledge of an Indian Tribe or Native Hawaiian organization.
- There is a connection between the cultural items described in this notice and the Morongo Band of Mission Indians, California and the Yuhaaviatam of San Manuel Nation (previously listed as San Manuel Band of Mission Indians, California).

#### Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after December 14, 2026. If competing requests for repatriation are received, the LACMNH must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural items are considered a single request and not competing requests. The LACMNH is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and to any other consulting parties.
