Committee and Quarterly Board Meetings; Correction

AGENCY: National Assessment Governing Board, Department of Education.

ACTION: Notice; correction.

SUMMARY: The National Assessment Governing Board (Board) published a notice in the **Federal Register** announcing the schedule and proposed agenda for its standing committee meetings and quarterly Board meeting on Thursday, November 19, 2026, and Friday, November 20, 2026. This notice corrects the meeting location and revises the supplementary information concerning two closed sessions.

SUPPLEMENTARY INFORMATION:

Correction

In the **Federal Register** of October 27, 2026, in FR Doc. 2026–21827, at 91 FR 67555–67558, the notice of the Board's hybrid meetings is corrected as follows:

On page 67556, in the first column, under **ADDRESSES**, remove ''TBD.'' and add ''Courtyard Washington Downtown Convention Center, 901 L Street NW, Washington, DC 20001.''

On page 67557, in the first column, under Thursday, November 19, 2026, revise the description of the closed plenary session scheduled from 12:45 p.m. to 2:30 p.m. to read as follows: The Board will receive an overview of bridge studies and evaluations supporting the release of the 2026 National Assessment of Educational Progress (NAEP) Reading and Mathematics results. This session must be closed because the presentation and discussion will include information about the budget and the Federal acquisition process, as well as data that cannot be released to the public at this time. Public disclosure of this confidential information would significantly impede implementation of the NAEP assessment program. Exemption 9(B) of the Government in the Sunshine Act, 5 U.S.C. 552b(c)(9)(B), protects these matters.

On page 67556, in the second column, and on page 67557, in the first column, under Friday, November 20, 2026, add: the Nominations Committee will meet in closed session from 7:00 a.m. to 8:15 a.m. to discuss outreach activities and applications for Board vacancies for the 2027 nominations cycle, including the rating process and member assignments for reviewing applications. The discussion will include personal

information that, if disclosed, would constitute a clearly unwarranted invasion of personal privacy. Exemption 6 of the Government in the Sunshine Act, 5 U.S.C. 552b(c)(6), protects the discussion.

Abstract: The Personnel Development Program (PDP) is a Federal program managed at the Office of Special Education Programs (OSEP) aimed at increasing the supply of qualified personnel in the field of special education. This program awards competitive grants to Institutions of Higher Education (IHEs) to support scholars who are preparing to provide special education and related services to children and youth with disabilities. Scholars who receive funding agree to work in the field of special education or related services for two years for each year of support they receive.

The information is collected through the web-based Personnel Development Program Data Collection System (PDPDCS) under the authority of the Individuals with Disabilities Education Act (IDEA) (20 U.S.C. 1462) and the implementing service obligation regulations at 34 CFR part 304, as well as reporting requirements under 34 CFR 75.110. Through the PDPDCS, grantees, scholars, and employers report data electronically.

The PDPDCS enables OSEP to meet its Congressional mandate by providing reliable data to assess program efficiency, performance, and effectiveness. Data collected are used to evaluate grantees' compliance with PDP program requirements, report program performance on GPRA measures to Congress, track scholar enrollment in training programs and subsequent service obligation fulfillment, and to refer scholars to the Accounts Receivable and Bank Management Division (ARBMD) for repayment of part or all of the scholarship received, if the scholars are not fulfilling their obligations through service.
