Description of the need for the information and proposed use: The information is used by HUD to fulfill its obligation to enforce Federal labor standards provisions, especially to act upon allegations of labor standards violations. Enforcement activities include securing funds to ensure the payment of wage restitution that has been or may be found due to laborers and mechanics who were employed on HUD-assisted projects. Also, funds are collected for the payment to the U.S. Department of Treasury of liquidated damages that were assessed for violations of Contract Work Hours and Safety Standards Act (CWHSSA).
