Comments

Any person wishing to comment on the project may do so. The Commission considers all comments received about the project in determining the appropriate action to be taken. To ensure that your comments are timely and properly recorded, please submit your comments on or before 5:00 p.m. Eastern Time on January 8, 2027. The filing of a comment alone will not serve to make the filer a party to the proceeding. To become a party, you must intervene in the proceeding.

Protests and motions to intervene must be served on the applicant either by mail at Jennifer Brough, Sheppard, Mullin, Richter & Hampton LLP, Four Embarcadero Center, 17th Floor, Francisco, CA 94111–4109, or by email (with a link to the document) at *jbrough@sheppard.com.*

Tracking the Proceeding

Throughout the proceeding, additional information about the project will be available from OPP at (202) 502–6595 or on the FERC website at *www.ferc.gov* using the ''eLibrary'' link as described above. The eLibrary link also provides access to the texts of all formal documents issued by the Commission, such as orders, notices, and rulemakings.
