persons exempt from passport fees are also exempt from passport execution fees if their applications are executed before a federal official. Persons who are eligible for the online DS–11 pilot who fall into the categories under this section will be exempt from passport fees and passport execution fees.

Paperwork Reduction Act

The application for a passport, form DS–11, is approved under OMB Control Number 1405–0004. The latest approval was on June 25, 2025, for three years. The following information applies to the existing DS–11 procedures. The Department processed 13,913,231 DS–11 applications in FY 2025. The average time for an applicant to complete a DS–11 (which includes the time required to search existing data sources, gather the necessary information, provide the information required, review the final collection, and submit the collection to Passport Services for processing) is 85 minutes per response. The Department anticipates that accepting a percentage of these applications online will decrease the time burden for the applicants, although the amount of time saved will be one of the data points to be learned in the pilot. Eligibility criteria for a U.S. passport and the applicability of relevant passport statutes and regulations, including 18 U.S.C. 1541 *et seq.,* will not change during or as a result of this pilot. Applicants will still be required to establish their U.S. citizenship and their identity and follow all relevant Department instructions. By running this pilot, the Department hopes to gain insights to inform an eventual transition to allow an option to submit DS–11 applications online on a permanent basis.

Request for Comments

The Department welcomes comments on this initiative. Comments relating to the time and money saved (keeping in mind that submitting a paper application takes an average of 85 minutes) will be particularly helpful. Navigate to *Regulations.gov*, search for Docket No. DOS–2026–1222, and submit a comment. Please note that comments will assist Department personnel in evaluating the pilot and deciding on future actions, including possible rulemaking. The comments will not receive a response.

Specially Designated Global Terrorist Designation of Los Lorenzanas

Acting under the authority of and in accordance with section 1(a)(ii)(A) of Executive Order 13224, as amended (''E.O. 13224'' or ''Order''), I hereby determine that the person known as Los Lorenzanas (also known as The Lorenzana Family; The Lorenzana Clan; and Lorenzana Drug Trafficking Organization) is a foreign person who has committed or has attempted to commit, poses a significant risk of committing, or has participated in training to commit acts of terrorism that threaten the security of U.S. nationals or the national security, foreign policy, or economy of the United States.

Consistent with the determination in section 10 of E.O. 13224 that prior notice to persons determined to be subject to the Order who might have a constitutional presence in the United States would render ineffectual the blocking and other measures authorized in the Order because of the ability to transfer funds instantaneously, I determine that no prior notice needs to be provided to any person subject to this determination who might have a constitutional presence in the United States, because to do so would render ineffectual the measures authorized in the Order.

This determination shall be published in the **Federal Register**.

Dated: October 29, 2026.

Marco Rubio,

Secretary of State, U.S. Department of State.
