SECURITIES AND EXCHANGE COMMISSION

[OMB Control No. 3235–0518]

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Extension: Form CB—Tender Offer/Rights Offering Notification Form

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (''Commission'') has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

An entity conducting an exempt cross-border business combination or rights offering is required to file a Form CB (17 CFR 249.480) to the extent the party would have had a filing obligation if the transaction were not eligible for the exemption. Form CB is intended to help the Commission determine whether a transaction meets the eligibility requirements of the exemptive rules. Form CB also helps to ensure that information about the transaction is publicly available in order to help security holders make informed investment decisions. The information required by Form CB is mandatory, and Form CB filings are publicly available on the Commission's Electronic Data Gathering, Analysis, and Retrieval (''EDGAR'') system. We estimate that approximately 49 respondents make one Form CB filing per year, for a total of approximately 49 responses annually. We estimate that respondents incur approximately 0.12 burden hours per Form CB filing, for a total annual reporting burden of 6 hours (0.12 hours per response × 49 responses). We estimate that respondents incur $225 cost burden per Form CB filing, for a total annual cost burden of $11,025 ($225 cost per response × 49 responses).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number.

The public may view and comment on this information collection request at: *https://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=202608-3235-016* or send an email comment to *MBX.OMB.OIRA.SEC_desk_officer@omb.eop.gov* within 30 days of the day after publication of this notice by December 18, 2026.

Dated: November 12, 2026.

Sherry R. Haywood,

Assistant Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–106879; File No. SR–FINRA–2026–025]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend FINRA Rule 6121.02 Concerning the Resumption of Trading Following a Level 3 Market-Wide Circuit Breaker Halt in Connection With the Industry's Expansion of Trading Hours to 23 Hours Per Day, 5 Days Per Week

November 12, 2026.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (''Act'')[1] and Rule 19b–4 thereunder,[2] notice is hereby given that, on November 4, 2026, the Financial Industry Regulatory Authority, Inc. (''FINRA'') filed with the Securities and Exchange Commission (''Commission'') the proposed rule change as described in Items I and II below, which Items have been prepared by FINRA. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to amend FINRA Rule 6121.02 (Market-wide Circuit Breakers in NMS Stocks) concerning the resumption of trading following a Level 3 market-wide circuit breaker halt in connection with the industry's expansion of trading hours to 23 hours per day, 5 days per week.

The text of the proposed rule change is available on FINRA's website at *http://www.finra.org* and at the principal office of FINRA.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

FINRA proposes to amend FINRA Rule 6121.02 concerning the resumption of trading following a Level 3 market-wide circuit breaker (''MWCB'') halt (''Level 3 Market Decline'') in connection with the industry's expansion of trading hours to 23 hours per day, 5 days per week (''23/5 Trading''). As discussed herein, the proposed rule change would retain the current 4:00 a.m. Eastern Time (''E.T.'') resumption time following a Level 3 Market Decline.

Background

The MWCB mechanism under FINRA Rule 6121.02 provides an important, automatic mechanism that is invoked to promote stability and investor confidence during a period of significant stress when U.S. securities markets experience extreme broad-based declines. FINRA and all U.S. equity exchanges (collectively, the self-regulatory organizations or ''SROs'') adopted uniform rules relating to market-wide circuit breakers in 2012, which are designed to slow the effects of extreme price movement through coordinated trading halts across U.S. securities markets when severe price declines reach levels that may exhaust market liquidity.[3] Such market-wide circuit breakers provide for trading halts in all U.S. equities and options markets during a severe market decline as measured by a single-day decline in the S&P 500 Index during regular trading hours.

Pursuant to Rule 6121.02, a market-wide trading halt will be triggered if the S&P 500 Index declines in price by specified percentages from the prior day's closing price of that index. Currently, the triggers are set at three circuit breaker thresholds: 7% (Level 1),
