and regulations governing the confidentiality of such information or data. A copy of the comments submitted by the public on the FMV and MER for the tracts, except those portions identified as proprietary and that meet one of the exemptions in the Freedom of Information Act, will be available for public inspection at the BLM Montana/Dakotas State Office (see **FOR FURTHER INFORMATION CONTACT**), during regular business hours (8 a.m. to 4:30 p.m. MT), Monday through Friday, except Federal holidays.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, the BLM cannot guarantee that we will be able to do so.

Consultation Under Section 106 of the National Historic Preservation Act

The BLM and OSM will coordinate within the NEPA process to ensure compliance with applicable procedural requirements under section 106 of the National Historic Preservation Act (NHPA) (54 U.S.C. 306108) as provided in 36 CFR 800.2(d)(3). The BLM and OSM invite public participation in the section 106 process pursuant to 36 CFR 800.2(d) and are providing an opportunity for the public to comment on the identification of historic properties, the assessment of effects, and potential measures to avoid, minimize, or resolve adverse effects. To protect cultural resources, BLM and OSM will not disclose precise site locations or other sensitive information and will manage confidential materials consistent with NHPA section 304 and applicable BLM and OSM policy. Individuals or organizations with a demonstrable interest in historic preservation issues may request consulting party status under 36 CFR 800.3(f).

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701–TA–806 and 731–TA–1805–1807 (Preliminary)]

Corrugated Die-Cut Cardboard Boxes From China, Malaysia, and Turkey; Determinations

On the basis of the record [1] developed in the subject investigations, the United States International Trade Commission (''Commission'') determines, pursuant to the Tariff Act of 1930 (''the Act''), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports of corrugated die-cut cardboard boxes from China, Malaysia, and Turkey, provided for in subheading 4819.10.00 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value (''LTFV'') and alleged to be subsidized by the Government of Turkey.[2] [3]

Commencement of Final Phase Investigations

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in § 207.21 of the Commission's rules, upon notice from the U.S. Department of Commerce (''Commerce'') of affirmative preliminary determinations in the investigations under §§ 703(b) or 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under §§ 705(a) or 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations. As provided in section 207.20 of the Commission's rules, the Director of the Office of Investigations will circulate draft questionnaires for the final phase of the investigations to parties to the investigations, placing copies on the Commission's Electronic Document Information System (EDIS, *https://edis.usitc.gov*), for comment.

Background

On September 9, 2026, the American Pizza Boxes Manufacturers Coalition [4] and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union filed petitions with the Commission and Commerce, alleging that an industry in the United States is materially injured or threatened with material injury by reason of subsidized imports of corrugated die-cut cardboard boxes from Turkey and LTFV imports of corrugated die-cut cardboard boxes from China, Malaysia, and Turkey. Accordingly, effective September 9, 2026, the Commission instituted countervailing and antidumping duty investigation Nos. 701–TA–806 and 731–TA–1805–1807 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of September 14, 2026 (91 FR 58174), as revised on October 8, 2026 (91 FR 64401). The Commission conducted its conference on September 30, 2026. All persons who requested the opportunity were permitted to participate.

The Commission made these determinations pursuant to §§ 703(a) and 733(a) of the Act (19 U.S.C. 1671b(a) and 1673b(a)). It completed and filed its determinations in these investigations on November 13, 2026. The views of the Commission are contained in USITC Publication 5810 (November 2026), entitled *Corrugated Die-Cut Cardboard Boxes from China, Malaysia, and Turkey: Investigation Nos. 701–TA–806 and 731–TA–1805–1807 (Preliminary).*

By order of the Commission.

Issued: November 13, 2026.

Sharon Bellamy,

Supervisory Hearings and Information Officer.
