DEPARTMENT OF AGRICULTURE

Forest Service

Information Collection; Wilderness and Wild and Scenic Rivers Program Administration

AGENCY: Forest Service, Agriculture (USDA).

ACTION: Notice; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, the Forest Service is seeking comments from all interested individuals and organizations on the renewal of a currently approved information collection, Wilderness and Wild and Scenic Rivers Program Administration.

DATES: Comments must be received in writing on or before January 19, 2027 to be assured of consideration. Comments received after that date will be considered to the extent practicable.

ADDRESSES: Comments concerning this notice should be addressed to Josh Nadas, Deputy Chief of Staff (a), Public Benefits, USDA Forest Service, 201 14th Street SW, Washington, DC 20250. Comments also may be submitted via email at *joshua.nadas@usda.gov.*

FOR FURTHER INFORMATION CONTACT: Josh Nadas, Deputy Chief of Staff (a), Public Benefits, *joshua.nadas@usda.gov,* 202–948–3053. Individuals who are deaf, hard of hearing, or have a speech disability may call 711 to reach the Telecommunications Relay Service and provide the phone number of the person named as a point of contact for further information.

SUPPLEMENTARY INFORMATION:

Title: Wilderness and Wild and Scenic Rivers Program Administration.

OMB Number: 0596–0106.

Expiration Date of Approval: April 30, 2027.

Type of Request: Extension with no revision of a currently approved information collection.

Abstract: Visitor Permits and Visitor Registration Cards may be required as a means to disperse use, protect natural and cultural resources, provide for the health and safety of visitors, allocate capacity, provide special restrictions or important information the visitor should know, and address overuse and site deterioration in environmentally sensitive areas.

The Forest Service has decided to offer an electronic submission option for these forms. Respondents may complete and submit the forms in paper format or electronically through a digital portal that the Forest Service is developing and plans to make available on a public website. The electronic forms and associated content may also be made available through other government websites or portals configured to transmit information to the Forest Service. This electronic content may be mirrored or otherwise displayed on other government portals configured to transmit information to the Forest Service or other agencies that use these forms.

Form FS–2300–30, Visitor's Permit. Information collected includes the visitor's name and address, area(s) to be visited, dates of visit, length of stay, location of entry and exit points, method of travel, number of people in the group, and where applicable, the number of pack and saddle stock (that is, the number of animals either carrying people or their gear), the number of dogs, and the number of watercraft and/or vehicles (where allowed).

The Forest Service employee who completes the Visitor's Permit will note on the permit any special restrictions or important information the visitor should know. The visitor receives a copy of the permit and instructions to keep the permit with them for the duration of the visit.

Form FS–2300–32, *Visitor Registration Card.* Information collected includes the visitor's name and address, area(s) to be visited, dates of visit, length of stay, location of entry and exit points, method of travel, number of people in the group, and where applicable, the number of pack and saddle stock (that is, the number of animals either carrying people or their gear) in the group, the number of dogs, and the number of watercraft and/or vehicles (where allowed).

Estimate of Annual Burden: 3 minutes per application.

Type of Respondents: Individuals.

Estimated Annual Number of Respondents: 552,000.

Estimated Annual Number of Responses per Respondent: One.

Estimated Total Annual Burden on Respondents: 27,600 hours.

Public Comment: Comment is invited on (1) whether this collection of information is necessary for the stated purposes and the proper performance of the functions of the Agency, including whether the information will have practical or scientific utility; (2) the accuracy of the Agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All comments received in response to this notice, including names and addresses when provided, will be a matter of public record. Comments will be summarized and included in the request for Office of Management and Budget approval of the information collection.

Gordon Blum,

Associate Deputy Chief, National Forest System.
