SUMMARY: Notice is hereby given that the U.S. International Trade Commission has appointed two administrative law judges (''ALJs'') in conformance with the Constitution and relevant laws.

FOR FURTHER INFORMATION CONTACT: Mercedeh Momeni, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205–3152. General information concerning the Commission may also be obtained by accessing its internet server at *http://www.usitc.gov.* Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), provides for certain determinations to be ''made on the record after notice and opportunity for a hearing in conformity with the provisions of subchapter II of chapter 5 of title 5.'' 19 U.S.C. 1337(c). Pursuant to subchapter II of chapter 5 of title 5, the Commission employs ALJs to conduct formal adjudications and to make initial and recommended determinations. 5 U.S.C. 556–557; 19 CFR 210.3 (''administrative law judge''). Pursuant to 5 U.S.C. 3105, ''[e]ach agency shall appoint as many administrative law judges as are necessary for proceedings required to be conducted in accordance with sections 556 and 557 of this title.'' Pursuant to section 331 of the Tariff Act, 19 U.S.C. 1331, the Chairman of the Commission has the authority to ''appoint and fix the compensation of such employees of the Commission as he deems necessary,'' including ALJs. 19 U.S.C. 1331(a)(1)(A)(i). Any such decision by the Chairman, however, is ''subject to disapproval by a majority vote of all the commissioners in office.'' 19 U.S.C. 1331(a)(1)(C).

The Appointments Clause of the Constitution, art. II, § 2, cl. 2, provides, in relevant part, that Congress may vest the appointment of inferior officers ''in the Heads of Departments.'' In 2018, the Supreme Court decided that the ALJs of the Securities and Exchange Commission (''SEC'') are inferior officers whose appointments were to be made by the SEC and not by the SEC's staff. *Lucia* v. *SEC,* 585 U.S. 237, 248–49 (2018); *see Free Enterprise Fund* v. *Pub. Co. Accounting Oversight Bd.,* 561 U.S. 477, 512 (2010). The Commission has previously published **Federal Register** notices confirming the Commission's appointments of the Commission's ALJs. Notice, 90 FR 54367 (Nov. 26, 2025); Notice, 83 FR 45678–79 (Sept. 10, 2018).

By this notice, the Commission confirms its appointments of two recently hired ALJs. On October 16, 2026, the Commission, including the Chairman, voted to appoint Lisa A. Murray as an ALJ. On that same day, the Commission, including the Chairman, also voted to appoint Benjamin S. Richards as an ALJ.

By order of the Commission.

Issued: November 19, 2026.

Lisa Barton,

Secretary to the Commission.

SUPPLEMENTARY INFORMATION:

Public Comment Procedures

We are publishing notice of records schedules in which agencies propose to dispose of records they no longer need to conduct agency business. We invite public comments on these records schedules, as required by 44 U.S.C. 3303a(a), and list the schedules at the end of this notice by agency and subdivision requesting disposition authority.

In addition, this notice lists the organizational unit(s) accumulating the records or states that the schedule has agency-wide applicability. It also provides the control number assigned to each schedule, which you will need if you submit comments on that schedule.

We have uploaded the records schedules and accompanying appraisal memoranda to the *regulations.gov* docket for this notice as ''other'' documents. Each records schedule contains a full description of the records at the file unit level as well as their proposed disposition. The appraisal memorandum for the schedule includes information about the records.

We will post comments, including any personal information and attachments, to the public docket unchanged. Because comments are public, you are responsible for ensuring that you do not include any confidential or other information that you or a third party may not wish to be publicly posted. If you want to submit a comment with confidential information or cannot otherwise use the *regulations.gov* portal, you may contact *request.schedule@nara.gov* for instructions on submitting your comment.

We will consider all comments submitted by the posted deadline and consult as needed with the Federal agency seeking the disposition authority. After considering comments, we may or may not make changes to the proposed records schedule. The schedule is then sent for final approval by the Archivist of the United States. After the schedule is approved, we will post on *regulations.gov* a ''Consolidated Reply'' summarizing the comments, responding to them, and noting any changes we made to the proposed schedule. You may elect at *regulations.gov* to receive updates on the docket, including an alert when we post the Consolidated Reply, whether or not you submit a comment. If you have a question, you can submit it as a comment, and can also submit any concerns or comments you would have to a possible response to the question. We will address these items in consolidated replies along with any other comments submitted on that schedule.

We will post schedules on our website in the Records Control Schedule (RCS) Repository, at *https://www.archives.gov/records-mgmt/rcs,* after the Archivist approves them. The RCS contains all schedules approved since 1973.

Background

Each year, Federal agencies create billions of records. To control this accumulation, agency records managers prepare schedules proposing retention periods for records and submit these schedules for NARA's approval. Once approved by NARA, records schedules provide mandatory instructions on what happens to records when no longer needed for current Government business. The records schedules authorize agencies to preserve records of continuing value in the National Archives or to destroy, after a specified period, records lacking continuing administrative, legal, research, or other value. Some schedules are comprehensive and cover all the records of an agency or one of its major subdivisions. Most schedules, however, cover records of only one office or program or a few series of records. Many of these update previously approved schedules, and some include records proposed as permanent.

Agencies may not destroy Federal records without the approval of the Archivist of the United States. The Archivist grants this approval only after thorough consideration of the records' administrative use by the agency of origin, the rights of the Government and of private people directly affected by the
