The requirements from which the exemption is sought involve requirements that are of an administrative, managerial, or organizational nature.

The exemptions involve only an ISI program implementation change regarding examination scheduling requirements and other requirements of an administrative, managerial, or organizational nature, because it is associated with the marginal extension from a 10-year to 12-year ISI interval.

Based on the above, NRC staff determined that the exemptions meet the eligibility criteria for the categorical exclusion set forth in 10 CFR 51.22(d)(1). Therefore, in accordance with 10 CFR 51.22(d), no environmental impact statement or environmental assessment need to be prepared in connection with these exemptions requests.

IV. Conclusions

Accordingly, the Commission has determined that, pursuant to 10 CFR 50.12, the exemptions are authorized by law, will not present an undue risk to the public health and safety, and are consistent with the common defense and security. Also, special circumstances are present. Therefore, the Commission hereby grants SNC's request for exemptions from certain requirements of 10 CFR 50.55a(a)(3)(ii) and 10 CFR 50.55a(y) to allow the implementation of ASME Code Case N–921 after the start date of the first ISI interval at Vogtle, Units 3 and 4.

The exemptions are effective upon issuance.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–106934; File No. SR–LTSE–2026–29]

Self-Regulatory Organizations: Long-Term Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Adopt New Rule 11.159 To Enable Members To Designate Certain Orders They Submit to the Exchange on Behalf of Retail Customers To Be Identified as Retail Orders to the Exchange

November 19, 2026.

Pursuant to the provisions of Section 19(b)(1) under the Securities Exchange Act of 1934 (''Act''),[1] and Rule 19b–4 thereunder,[2] notice is hereby given that on November 10, 2026, Long-Term Stock Exchange, Inc. (''LTSE'' or the ''Exchange'') filed with the Securities and Exchange Commission (''Commission'') the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing with the Commission a proposed rule change to adopt new Rule 11.159 to enable Members to designate certain orders they submit to the Exchange on behalf of retail customers to be identified as retail orders. Under the proposed rule change, the Exchange would create a new class of market participant for any Member that satisfies the requirements under proposed Rule 11.159 called a Retail Member Organization (''RMO''), which would be eligible to submit certain retail order flow (''Retail Orders'') to the Exchange. Specifically, proposed Rule 11.159 would: (1) define a Retail Order and RMO; (2) set forth a RMO's qualification and application requirements and the Exchange's approval process; (3) outline procedures for when a RMO fails to abide by the Retail Order requirements; and (4) outline the procedures under which a Member may appeal the Exchange's decision to disapprove it or disqualify it as a RMO. Proposed Rule 11.159 is based on and is almost identical to MEMX LLC (''MEMX'') Rule 11.21.[3]

The text of the proposed rule change is available at the Exchange's website at *https://longtermstockexchange.com/* and at the principal office of the Exchange.

II. Self-Regulatory Organization's Statement on the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to adopt new Rule 11.159 to enable Members to designate certain orders they submit to the Exchange on behalf of retail customers to be identified as retail orders. Under the proposed rule change, the Exchange would create a new class of market participant for any Member that satisfies the requirements under proposed Rule 11.159 called a Retail Member Organization (''RMO''), which would be eligible to submit certain retail order flow (''Retail Orders'') to the Exchange. Specifically, proposed Rule 11.159 would: (1) define a Retail Order and RMO; (2) set forth a RMO's qualification and application requirements and the Exchange's approval process; (3) outline procedures for when a RMO fails to abide by the Retail Order requirements; and (4) outline the procedures under which a Member may appeal the Exchange's decision to disapprove it or disqualify it as a RMO. Proposed Rule 11.159 is based on and is almost identical to MEMX LLC (''MEMX'') Rule 11.21.[4]

Definitions. The Exchange proposes to adopt the following definitions under proposed Rule 11.159(a). The term ''Retail Member Organization'' or ''RMO'' would be defined as a Member (or a division thereof) that has been approved by the Exchange to submit Retail Orders. The term ''Retail Order'' would be defined as an agency or riskless principal order that meets the criteria of FINRA Rule 5320.03 that originates from a natural person and is submitted to the Exchange by a RMO, provided that no change is made to the terms of the order with respect to price or side of market and the order does not originate from a trading algorithm or any other computerized methodology.

RMO Qualifications and Approval Process. Under proposed Rule 11.159(b), any Member could qualify as a RMO if it conducts a retail business or routes retail orders on behalf of another broker-dealer. Proposed Rule 11.159(b)(1) makes clear that a RMO that carries retail customer accounts on a fully disclosed basis would be considered to conduct a retail business for purposes of the rule. The qualification standards and approval process under proposed Rule 11.159(b) are designed to ensure that Members are properly qualified as a RMO and only designate as Retail Orders those orders that meet the definition of Retail Orders under proposed Rule 11.159(a)(2) described above. Any Member that wishes to obtain RMO status would be required to submit: (1) an application form; (2) supporting documentation sufficient to demonstrate the retail nature and characteristics of the applicant's order flow; [5] and (3) an attestation, in a form prescribed by the Exchange, that substantially all orders submitted by the Member as a Retail Order will qualify as such under proposed Rule 11.159(b).

Under proposed Rule 11.159(b)(6), a RMO would be required to have written
