SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: Housing Opportunities for Persons With AIDS (HOPWA): Grant Reporting, Recordkeeping, and Closeout.

OMB Approval Number: 2506–0133.

Type of Request: Revision of currently approved collection.

Form Number: HUD–40110–B, HUD–4153, HUD–4154, HUD–4155, HUD–4158, SF–425.

Description of the need for the information and proposed use:

The current Paperwork Reduction Act approval under OMB Control No. 2506–0133 covers reporting, and record keeping requirements for both the HOPWA formula and competitive grant programs. The competitive grant program includes new competitive grants and renewal/replacement grants. This revision applies to reporting and closeout requirements for all HOPWA grantees.

This submission requests to add additional data elements to form HUD–4155, remove data elements that are no longer needed, update language in the HOPWA grant closeout certification, as well as updating the collection method for the HOPWA grant closeout certification to submit in Integrated Disbursement and Information System (IDIS).

HUD plans to continue using the data elements in this submission for the purposes of measuring program performance against benchmark goals and objectives and communicate the program's achievements and contributions towards Departmental strategic goals.

Respondents: HOPWA competitive and renewal grant applicants, and all HOPWA formula, competitive, and renewal grantees.

Information collection	Number of respondents	Frequency of response	Responses per annum	Burden hour per response	Annual burden hours	Hourly cost per response	Annual cost
Consolidated APR/CAPER Data Elements (HUD–4155)	258.00	1.00	258.00	40.00	10320.00	$29.57	$305,162.40
HUD–4154, HIV Housing Care Continuum Model Report (new competitive SPNS grant only)	30.00	1.00	30.00	20.00	600.00	29.57	17,742.00
HUD–4153, SPNS Grant Model Report (new competitive SPNS grant only)	30.00	1.00	30.00	40.00	1200.00	29.57	47,484.00
Recordkeeping for Competitive, PSH, and Formula Grantees	258.00	1.00	258.00	60.00	15480.00	29.57	457,743.60
Grant Amendments (budget change, extension, or early termination)	30.00	1.00	30.00	6.00	180.00	29.57	5,322.60
Grant Closeout (closeout certification, SF425, and all financial, performance, and other reports required as a condition of the grant)	258.00	1.00	200.00	11.00	2,200.00	29.57	65,054.00
Total	864.00		806.00		29,980.00		898,508.60

HOPWA grantees and applicants may be required to respond to more than one piece of information collection. All annualized costs reflect staff time spent on tasks in the table. The hourly rate of $29.57 is based on a GS–9 for Rest of United States. 10,320 hours * $29.57 = $305,162.40.

The estimated costs under this OMB approval number in this request is higher than previous approval because of the higher hourly wage compared to the previous submission. Responses per annum and annual burden hours are actually lower than previous submission because of the a reduced number of new competitive SPNS grantees, and more efficient processing of grant closeouts through the IDIS system.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of the agency's estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, *e.g.,* permitting electronic submission of responses.

HUD encourages interested parties to submit comments in response to these questions.
