Title: Ship's Stores Declaration.
OMB Number: 1651–0018.
Form Number: 1303.
Current Actions: Extension without change.
Type of Review: Extension (without change).
Affected Public: Businesses.
Abstract: CBP Form 1303, Ship's Stores Declaration, is used by the carriers to declare articles to be retained on board the vessel, such as sea stores, ship's stores (*e.g.* alcohol and tobacco products), controlled narcotic drugs or bunker fuel in a format that can be readily audited and checked by CBP. The form was developed as a single international standard ship's stores declaration form to replace the different forms used by various countries for the entrance and clearance of vessels. CBP Form 1303 collects information about the ship, the ports of arrival and departure, and the articles on the ship. This form is provided for by 19 CFR 4.7, 4.7a, 4.81, 4.85 and 4.87 and is accessible at: *https://www.cbp.gov/newsroom/publications/forms?title=1303&=Apply*.

This form is anticipated to be submitted electronically as part of the maritime forms automation project through the Vessel Entrance and Clearance System (VECS), which will eliminate the need for any paper submission of any vessel entrance or clearance requirements under the above referenced statutes and regulations. VECS will still collect and maintain the same data, but will automate the capture of data to reduce or eliminate redundancy with other data collected by CBP.

Agency Information Collection Activities: Proposed Collection, Comment Request; Generic Clearance for Notice of Loss and Proof of Loss

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: 30-Day notice of revision and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA) will submit the information collection abstracted below to the Office of Management and Budget for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995. FEMA invites the general public to take this opportunity to comment on a revision of a currently approved information collection. In accordance with the requirements of the Paperwork Reduction Act of 1995, this notice seeks comments concerning the Generic Clearance for Notice of Loss and Proof of Loss for claimants who file a claim with the Agency seeking compensation for injury or loss of property resulting from fires.

DATES: Comments must be submitted on or before December 28, 2026.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to *www.reginfo.gov/public/do/PRAMain.* Find this particular information collection by selecting ''Currently under 30-day Review—Open for Public Comments'' or by using the search function.

FOR FURTHER INFORMATION CONTACT: Angelica Searls, Emergency Management Specialist, Recovery Directorate, at 202–701–9021 and *fema-hermits-peak@fema.dhs.gov.* You may contact the Information Management Division for copies of the proposed collection of information at email address: *FEMA-Information-Collections-Management@fema.dhs.gov.*

SUPPLEMENTARY INFORMATION: FEMA proposes to collect information from parties who apply for compensation under FEMA-established fire claims programs stemming from its role providing financial assistance and direct services to individuals applying for disaster assistance benefits in the event of a federally declared disaster as specified by the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act), Public Law 93–288, as amended (42 U.S.C. 5121–5207). On September 30, 2022, President Biden signed into law the Hermit's Peak/Calf Canyon Fire Assistance Act (''Act'') Public Law 117–180, Division G—Hermit's Peak/Calf Canyon Fire Assistance Act. Congress passed the Act to compensate those parties who suffered injury and loss of property from the Hermit's Peak/Calf Canyon Fire. Such a generic clearance will minimize delays in FEMA's ability to respond to future fire incidents resulting in the establishment of claims offices.

This proposed information collection previously published in the **Federal Register** on September 4, 2026 at 91 FR 56893 with a 60-day public comment period. No comments were received. The purpose of this notice is to notify the public that FEMA will submit the information collection abstracted below to the Office of Management and Budget for review and clearance.
