provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of the Census.

Title: Address Systems Information Survey.

Form Number(s): DC–20a.

Agency Approval Number: 0607–0772.

Type of Request: Reinstatement, without change, of a previously approved collection for which approval has expired.

Burden: 180 hours.

Number of Respondents: 2,150.

Avg Hours Per Response: Five minutes.

Needs and Uses: As part of the research and development effort for Census 2000, the Census Bureau is investigating various ways to build, improve, and maintain its master address file (MAF). The Census Bureau conducted a survey in 1993–4 of counties and Minor Civil Divisions (MCDs) that, at that time, did not use exclusively city style addresses (street name and house number) to determine the extent to which they use non city style addresses (rural route, box number, post office box, etc.) and their plans to convert to city style addresses in the future. We are using this information to create the mailing list from which the decennial census questionnaires will be mailed and to help determine the cost for Census 2000. We are requesting a reinstatement of this survey so that we may get updated information from counties and MCDs that have not yet converted on their plans to convert to city style addresses.

Affected Public: State, local or tribal government.

Frequency: One–time.

Respondent's Obligation: Voluntary.

OMB Desk Officer: Jerry Coffey, (202) 395–7314.
