priorities and potential projects to receive funding consideration under the $5 million dollar Disaster Assistance Program administered by NMFS. Additionally, the committee will review options and recommend changes to the Sea Scallop Plan's Total Allowable Catch 1 percent research set-aside mechanism. Alternatives will be included in draft Sea Scallop Framework Adjustment 12 and forwarded to the Scallop Committee for their consideration.

Although non-emergency issues not contained in this agenda may come before this Council for discussion, in accordance with the Magnuson-Stevens Fishery Conservation and Management Act, those issues may not be the subject of formal Council action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.
