The limits set forth above are subject to adjustment pursuant to the provisions of the ATC and administrative arrangements notified to the Textiles Monitoring Body.

Products in the above categories exported during 1999 shall be charged to the applicable category limits for that year (see directive dated October 14, 1998) to the extent of any unfilled balances. In the event the limits established for that period have been exhausted by previous entries, such products shall be charged to the limits set forth in this directive.

In carrying out the above directions, the Commissioner of Customs should construe entry into the United States for consumption to include entry for consumption into the Commonwealth of Puerto Rico.

The Committee for the Implementation of Textile Agreements has determined that these actions fall within the foreign affairs exception of the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,

Troy H. Cribb,

Chairman, Committee for the Implementation of Textile Agreements.

Record of Decision (ROD) for the Disposal and Reuse of K.I. Sawyer Air Force Base (AFB), Michigan

On September 16, 1999, the Air Force issued the Supplemental Record of Decision (SROD) for the disposal and reuse of K.I. Sawyer AFB, Michigan. The decisions included in the SROD were made in consideration of, but not limited to, the information contained in the Final Environmental Impact Statement (FEIS) for the disposal and reuse of K.I. Sawyer AFB, filed with the Environmental Protection Agency and made available to the public on February 15, 1996.

K.I. Sawyer AFB closed on September 30, 1995, pursuant to the Defense Base Closure and Realignment Act of 1990 (10 U.S.C. 2687 note) and the recommendations of the Defense Base Closure and Realignment Commission. The FEIS analyzed potential environmental impacts of the Air Force's disposal options by portraying a variety of potential land uses to cover a range of reasonably foreseeable future uses of the property and facilities by others.

The Air Force issued a ROD on April 12, 1996, which documented a series of decisions regarding the intended disposal of Government-owned property for both public airport and economic development use, together with the intended termination of certain leases of improved real property with the County of Marquette, and the disposal of base utilities.

The SROD modifies certain decisions made in the ROD, thus completing the disposal decisions for K.I. Sawyer AFB. Specifically, in the SROD the Air Force, in consultation with Marquette County, modified the Airport Public Benefit Transfer, and Economic Development Conveyance property boundaries and simplified the K.I. Sawyer parcel disposal map.

The implementation of these conversion activities and associated mitigation measures will proceed with minimal adverse impact to the environment. This action conforms with applicable Feeder, State and Local statutes and regulations, and all reasonable and practical efforts have been incorporated to minimize harm to the local public and the environment.

Any questions regarding this matter should be directed to Mr. Paul MacPherson at 703–696–5569. Correspondence should be sent to AFBCA/DB, 1700 North Moore Street, Suite 2300, Arlington, VA 22209–2802.

Janet A. Long,

Air Force Federal Register Liaison Officer.
