AGENCY: United States International Trade Commission.

Invs. Nos. 701-TA-387-392 (Preliminary) and 731-TA-815-822 (Preliminary)

Certain Cut-to-Length Steel Plate From the Czech Republic, France, India, Indonesia, Italy, Japan, Korea, and Macedonia; Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission (Commission) determines, pursuant to section 703(a) of the Tariff Act of 1930 (19 U.S.C. 1671b(a)), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports from France, India, Indonesia, Italy, and Korea of certain cut-to-length steel plate, provided for in headings 7208, 7210, 7211, 7212, 7225, and 7226 of the Harmonized Tariff Schedule of the United States, that are alleged to be subsidized by the Governments of the respective countries. The Commission further determines, pursuant to section 733(a) of the Tariff Act of 1930 (19 U.S.C. 1673b(a)), that there is a reasonable indication that an industry in the United States is materially injured by reason of such imports from France, India, Indonesia, Italy, Japan, and Korea that are alleged to be sold in the United States at less than fair value (LTFV). Finally, pursuant to 19 U.S.C. 1677(24)(A), the Commission determines that the subject imports from the Czech Republic that are alleged to be sold at LTFV and the subject imports from Macedonia that are alleged to be subsidized and sold at LTFV are negligible.² The Commission's investigation with respect to the Czech Republic is thereby terminated pursuant to 19 U.S.C. 1673b(a)(1) and its investigation with respect to Macedonia are thereby terminated pursuant to 19

¹ The record is defined in sect. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

² Chairman Lynn M. Bragg finds that there is a potential that such imports from the Czech Republic will imminently account for more than three percent of the total import volume of all such merchandise, and determines that there is a reasonable indication that an industry in the United States is threatened with material injury by reason of imports of the subject merchandise from the Czech Republic that are alleged to be sold at LTFV.
