(historic issues are being considered in a separate process). Comments on the DSEA may be submitted electronically through the Board's website and are due on October 19, 2020.

Following receipt of comments on this DSEA, OEA will prepare and issue a Final EA. The issuance of the Final EA will conclude the NEPA review process for this abandonment proceeding. Once OEA completes both the Section 106 process and the NEPA review, the Board will consider the recommendations from OEA concerning the effects of the proposed abandonment on the environment and historic resources, will balance that information with the transportation merits of the proceeding, and will issue a final decision approving, denying, or approving with the imposition of conditions a grant of abandonment authority to Conrail.

Dated: September 8, 2020.

By the Board, Victoria Ruston, Director, Office of Environmental Analysis.

Kenyatta Clay,

Clearance Clerk.
