

Request for Comments

The Commission solicits written comments from all interested persons about the proposed collection of information. The Commission specifically solicits information relevant to the following topics:

- whether the collection of information described above is necessary for the proper performance of the Commission's functions, including whether the information would have practical utility;
- whether the estimated burden of the proposed collection of information is accurate;
- whether the quality, utility and clarity of the information to be collected could be enhanced; and
- whether the burden imposed by the collection of information could be minimized by use of automated, electronic or other technological collection techniques, or other forms of information technology.

Brianna J. Bell,

Paralegal Specialist, Consumer Product Safety Commission.

BILLING CODE 0099-10-D

DEPARTMENT OF DEFENSE**Office of the Secretary**

**Renewal of Department of Defense Federal Advisory Committees—
Education for Seapower Advisory Board**

AGENCY: Department of Defense (DoD).

ACTION: Renewal of Federal advisory committee.

SUMMARY: The Department of War (DoW) is publishing this notice to announce it is renewing the Education

for Seapower Advisory Board (E4SAB) as a discretionary Federal advisory committee.

FOR FURTHER INFORMATION CONTACT: Jim Freeman, Advisory Committee Management Officer for the DoW, 703-692-5952.

SUPPLEMENTARY INFORMATION: The DoW is renewing the E4SAB in accordance with chapter 10 of title 5, United States Code (U.S.C.) (commonly known as the "Federal Advisory Committee Act" or "FACA") and 41 Code of Federal Regulations (CFR) 102-3.50(d), and DoW policies and procedures. The charter and contact information for the E4SAB's Designated Federal Officer (DFO) are found at <https://www.facadatabase.gov/FACA/apex/FACAPublicAgencyNavigation>.

Consistent with 41 CFR 102-3.65(a), the DoW is publishing the E4SAB's Public Interest Determination.

Pursuant to 41 CFR 102-3.60(a), to establish, renew, reestablish, or merge a discretionary (agency discretion) advisory committee, an agency must first consult with the General Services Administration's Committee Management Secretariat ("the Secretariat") and, as part of the consultation, provide a written public interest determination approved by the head of the agency to the Secretariat with a copy to the Office of Management and Budget. In addition, pursuant to 41 CFR 102-3.35, an agency shall follow the same consultation process and document in writing the same determination of need before creating a subcommittee under a discretionary committee that is not made up entirely of members of a parent advisory committee. Information on the following factors for the E4SAB was provided to the Secretariat to demonstrate that renewing the E4SAB is in the public interest:

1. *Annual Budget:* The DoW estimates annual operating costs to support the E4SAB are \$827,693, which includes personnel travel, meetings, and contract support.

a. *Federal personnel on a full-time equivalent (FTE) basis:* The estimated annual fully burdened personnel cost to the DoW is 3.00 full-time equivalent at \$660,000 which includes basic pay with cost-of-living allowance (COLA).

b. *Other Federal internal costs:* Other administrative costs for the E4SAB are \$9,680.

c. *Proposed payments to members:* Consistent with 10 U.S.C. 173, members of the E4SAB are not compensated for their services, except for travel and per diem reimbursement for official E4SAB related business. Estimated ex-officio

regular government employee (RGE) cost in support of the E4SAB is \$50,000.

d. *Proposed number of members:* As authorized by the Secretary of War (SecWar), the E4SAB will be composed of not more than 15 members.

e. *Reimbursable costs:* The estimated reimbursement costs, to include travel, for E4SAB staff and members are \$108,013.

2. *If applicable, the total dollar value of grants expected to be recommended during the Fiscal Year:* N/A.

3. *Criteria for selecting members to ensure the committee has the necessary expertise and fairly balanced membership:* As described in its proposed charter and membership balance plan, the E4SAB shall be composed of no more than 15 members, who are eminent leaders and authorities in the fields of academia, business, national defense and security, management, leadership, research and analysis. At least eight members must be from academia. Of the 15 members, 2 individuals shall be ex-officio RGE members:

(1) Deputy Chief of Naval Operations for Operations, Plans, Strategy, and Warfighting Development, United States Navy, Department of the Navy ("the DCNO N3N5N7"); and

(2) Executive Deputy, Training and Education Command/Assistant Deputy Commandant for Training and Education, United States Marine Corps, Department of the Navy (DoN) ("the Executive Deputy, TECOM").

In selecting members, the DoW seeks to capitalize on recognized talented, innovative private and public sector leaders to provide the broadest knowledge and expertise based on a balanced E4SAB membership composition. The E4SAB membership is not static, and the SecWar and Deputy Secretary of War ("the DoW Appointing Authority") may change the membership based upon work assigned to the E4SAB by the DoW Appointing Authority or the Secretary of the Navy (SECNAV), as the E4SAB's DoW Sponsor.

4. *List of all other DoW Federal Advisory Committees:* A complete listing of DoW Federal advisory committees can be located at: <https://www.facadatabase.gov/FACA/s/account/001t000000DCAooAAH/departement-of-defense>.

5. *Justification that the information or advice provided by the Federal advisory committee or subcommittee is not available from another Federal advisory committee, another Federal Government source, or any other more cost-effective and less burdensome source:* The E4SAB provides independent,
