SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–106772; File No. SR–NYSEARCA–2026–106]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To List Shares of the Bitwise 10 Crypto Index ETF Under NYSE Arca Rule 8.201–E (Generic)

October 29, 2026.

Pursuant to Section 19(b)(1) [1] of the Securities Exchange Act of 1934 (''Act'') [2] and Rule 19b–4 thereunder,[3] notice is hereby given that, on October 21, 2026, NYSE Arca, Inc. (''NYSE Arca'' or the ''Exchange'') filed with the Securities and Exchange Commission (the ''Commission'') the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to change the manner in which the shares of the Bitwise 10 Crypto Index ETF (the ''Fund'') are listed and traded on the Exchange. The proposed rule change is available on the Exchange's website at *www.nyse.com* and at the principal office of the Exchange.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to change the manner in which the shares of the Fund (''Shares'') are listed and traded on the Exchange. The Shares were originally approved to list and trade on the Exchange pursuant to Rule 8.500–E. The Exchange now proposes to list and trade Shares of the Fund on the Exchange pursuant to Rule 8.201–E (Generic).

The Commission approved the listing and trading of shares of the Fund (the ''Shares'') on the Exchange under Rule 8.500–E on July 22, 2025.[4] Rule 8.500–E governs the listing and trading of Trust Units, which are securities issued by a trust, limited liability company, or other similar entity that, if applicable, is constituted as a commodity pool and that holds investments comprising or otherwise based on any combination of futures contracts, options on futures contracts, forward contracts, swap contracts, commodities, and/or securities.

On July 28, 2026, the Commission approved a proposed rule change to amend Rule 8.201–E (Generic).[5] Rule 8.201–E (Generic), as amended, allows for up to 15% of a trust's net asset value (NAV) to consist of digital commodities or securities that do not independently meet the core generic eligibility criteria; adds ''digital commodity'' [6] as a defined term; and allows for actively managed Commodity-Based Trust Shares.[7]

The Exchange proposes to now list and trade the Shares of the Fund pursuant to the generic listing standards set forth in Rule 8.201–E (Generic), as amended, which would permit the Fund to operate in reliance on the generic listing standards in Rule 8.201–E (Generic), as amended, instead of the terms of the Original Approval Order. The Exchange represents that the Shares will meet the requirements of Rule 8.201–E (Generic), as amended, on an initial and continued listing basis. In addition, the Exchange will comply with the requirements of Rule 19b–4(e) to list and trade Shares of the Fund on the Exchange.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) [8] of the Act. Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5) [9] requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to

[6] Under Rule 8.201–E(c)(4), the term ''digital commodity'' means a commodity that is a digital asset and is intrinsically linked to and derives its value from the programmatic operation of a functional crypto system, as well as supply and demand dynamics, rather than from the expectations of profits from the essential managerial efforts of others.

[7] Commodity-Based Trust Shares are securities issued by a trust, limited liability company, partnership, or other similar entity (''Trust'') that, if applicable, is operated by a registered commodity pool operator, and is not registered as an investment company; that, consistent with the Trust's investment objective and policies, holds (A) one or more commodities or commodity-based assets, and (B) in addition to such commodities or commodity-based assets, may hold securities, cash, and cash equivalents; is issued by a Trust in a specified aggregate minimum number in return for a deposit of (A) a specified quantity of the underlying commodities, commodity-based assets, securities, cash, and cash equivalents or (B) a cash amount with a value based on the next determined NAV per Trust share; and when aggregated in the same specified minimum number, may be redeemed at a holder's request by a Trust which will deliver to the redeeming holder (A) the specified quantity of the underlying commodities, commodity-based assets, securities, cash, and cash equivalents or (B) a cash amount with a value based on the next determined NAV per Trust share.
