II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the PCX included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this rule change is to make certain modifications to the Exchange's Corporate Governance and Disclosure Policies. With regard to PCX Rule 5.3(k)(1)(A) and 5.3(k)(1)(F), the proposed changes will amend director independence standards so that immediate family members of a director are only included in the standards if they are executive officers of the listed company.⁵ The Exchange also proposes to allow, in the limited situation of Rule 5.3(k)(1)(E), dually listed companies to apply the independence standards of other SROs. The proposed changes to Rules 5.3(k)(1)(A) and 5.3(k)(1)(F) will eliminate certain inconsistencies between the Exchange's rules and those of other national securities exchanges or national securities associations. The proposed change to Rule 5.3(k)(1)(E) will allow dually listed issuers to apply one uniform test to determine independence of their directors regardless of how many SROs list their security.

⁵ As revised by the proposed rule change, these provisions will be similar to Sections 303A.02(b)(i) and (b)(ii) of the NYSE Listed Company Manual. Telephone conversation between Steven B. Matlin, Senior Attorney, Regulatory Policy, PCX, and Geoffrey Pemble, Special Counsel, Division, Commission, on November 16, 2004.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act⁶ in general, and furthers the objectives of section 6(b)(5) of the Act⁷ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of change, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments on the proposed rule change were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has been designated by PCX as a "non-controversial" rule change pursuant to section 19(b)(3)(A) of the Act⁸ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁹

The foregoing proposed rule change: (1) Does not significantly affect the protection of investors or the public interest, (2) does not impose any significant burden on competition, and (3) by its terms does not become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest. Furthermore, the PCX gave the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change. Consequently, the proposed rule change has become effective pursuant to section

19(b)(3)(A) of the Act¹⁰ and Rule 19b-4(f)(6) thereunder.¹¹

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
